Clinton Underground Child Sex Scandal PART 1

By Pamela Geller - on November 5, 2016
Clinton Corruption

Anonymous just posted the first in a series of exposes on Hillary and Bill Clinton's involvement in a massive child trafficking and pedophile sex ring. I have run the whole thing below (scroll down):

Read it all — this is not a post you can skim.

Anonymous: "Part 2 will either be posted later tonight (EST) or tomorrow morning."
Report: Bill Clinton Wasn't Only One to Go to 'Sex Slave Island,' Hillary Went with Him–'Six Times'
Background on "spirit cooking" here.
Code word translations ie pizza here.
First some background on "Lolita island:"
Citing a "well-placed source" in the New York Police Department, Blackwater USA founder and retired Navy SEAL Erik Prince claims that among the 650,000 Huma Abedin emails on her estranged husband's laptop is evidence Hillary Clinton, as well as former President Bill Clinton, was a visitor to convicted pedophile Jeffrey Epstein's Caribbean hideaway, known as "Orgy Island."
Prince told the Breitbart News Daily radio show that Abedin and her estranged husband, former Democratic Rep. Anthony Weiner, are now cooperating with authorities in multiple investigations of Bill and Hillary Clinton.
"They found State Department emails," he said of FBI investigators.
"They found a lot of other really damning criminal information, including money laundering, including the fact that Hillary went to this sex island with convicted pedophile Jeffrey Epstein. Bill Clinton went there more than 20 times. Hillary Clinton went there at least six times."

In May, FoxNews.com reported Bill Clinton was a much more frequent flyer on Epstein's infamous Boeing 727 "Lolita Express" jet than previously reported.
Flight logs show he took at least 26 trips and apparently even ditched his Secret Service detail for at least five of the flights. The manifests for the trips, between 2001 and 2003, identified fellow passengers by their initials or first names, including "Tatiana."
The jet was reportedly outfitted with a bed where passengers had group sex with young girls.
FoxNews.com reported in July that attorneys for Epstein touted his close friendship with Bill Clinton and even claimed the billionaire helped start the Clinton Global Initiative.
Emails that surfaced in August showed famed defense attorney Roy Black was deemed too controversial to host an event for President Obama because he represented Epstein against charges of trafficking nearly three-dozen underage girls for sex for himself and his powerful friends. Black and co-counsel Alan Dershowitz were able to secure a deal in 2008 in which Epstein pleaded guilty to only one count related to prostitution with a minor. Epstein registered as a sex offender and served, partly in home detention, just 13 months of a 19-month sentence.

'So disgusting'

Prince said the NYPD wanted to do a press conference announcing the warrants and the additional arrests they were making in the Weiner investigation but received "huge pushback" from the Justice Department

"The amount of garbage that they found in these emails, of criminal activity by Hillary, by her immediate circle, and even by other Democratic members of Congress was so disgusting they gave it to the FBI, and they said, 'We're going to go public with this if you don't reopen the investigation and you don't do the right thing with timely indictments,'" Prince told Breitbart News Daily.
Abedin, who has been at Hillary Clinton's side throughout the 2016 campaign, was immediately removed from the campaign trail after FBI Director James Comey informed Congress last Friday of the discovery of the 650,000 emails and the decision to reopen the investigation into Hillary Clinton's handling of classified information. More here..……..

Below is the Anonymous post in its entirety:

The Clinton investigation is now connected to a massive child trafficking and pedophile sex ring operating within Washington, D.C. Over the next few days, and this November 5th, we will be referencing evidence and exposing the Clinton foundations for multiple incidences of child trafficking and sex scandals.

Hillary Clinton is being investigated by the FBI for involvement in an elite Washington pedophile ring, according to veteran State Department official Steve Pieczenik. https://www.youtube.com/watch?v=12zVlaZyX3Q

Billionaire pedophile Jeffrey Epstein, his relationship with Bill Clinton, Alan Dershowitz, Prince Andrew and other famous names, and their connection to a high-level sex scandal is exposed by Conchita and Cristina Sarnoff. http://bit.ly/2eH3ELq

Anthony Weiner Talking to FBI about underage Sex Island (Lolita)
The FBI wants to know everything about the Lolita Island that Jeffrey Epstein owns. Lucky for them Anthony Weiner knows a lot about the Underage sex Island that Bill Clinton would visit and Weiner is ready to Talk. http://bit.ly/2f4u9xv

Hillary has a LONG history of interest in Ms. Silsby. Wikileak emails dating back till at least 2001 have been found in her archives discussing Laura's NGO. Laura had claimed she planned to build an orphanage in the Dominican Republic, but authorities in the country said she never submitted an application for this purpose. They instead located to Haiti.

Subject: (AP) Haiti prosecutors urge prison for U.S. missionary

PORT-AU-PRINCE (AP) - Prosecutors say a U.S. missionary should spend 6 months in prison for trying to take 33 children out of the country following the January 12 earthquake. Prosecutor Sonel Jean-Francois told a court it is clear Laura

Silsby knew she had broken Haitian law. The prosecutor spoke after the Idaho woman testified on the first day of her trial.

Jorge Puello (real name – JORGE TORRES ORELLANA) is their lawyer who also was charged in el salvador for child sex trafficking.

“The children were sent to the SOS Children’s Village orphanage in Croix-des-Bouquets, a suburb of Port-au-Prince, and it became clear that most (if not all) of them were not orphans.[12] NLCR missionaries maintained that they were told that the children were orphaned. In turn, people in Calebasse and SOS Children’s Villages accused the missionaries of lying about their intentions.[9][12] ,Although the children’s relatives were told that they would be able to visit them and eventually take them back, the NLCR’s mission statement clearly outlined plans for adoption.” http://bit.ly/2eoZ57E

“So, how was Hillary Clinton part of this, and where’s the child sex trafficking? Mostly in the fevered imaginations of the excitable internet detectives of r/The_Donald, who decided that since Clinton discussed the case in emails with Huma Abedin and other aides, she was going out of her way to help the child abductors escape justice. This leaves out one tiny detail: as secretary of State, Clinton’s job was to help American citizens arrested in other countries. Huma emailed her articles about the case, and from there, Reddit decided that can only mean they’re all child traffickers trading children all over the world for sex slaves, and probably hitching rides on Jeffrey Epstein’s sex plane, too.”

Wikileaks Pretty Sure Hillary Clinton Is A Child Sex Trafficker Now, It Is Just Obvious

Wikileaks 28 'The DOJ-FBI–Huma Special' is out and the TREASON of Hillary Clinton has never been more evident or quantifiable, and now the 650,000 emails on Huma and Anthony Weiner's computer allegedly implicate Bill and Hillary in what is being described as a pedophile ring, and the CNN-CIA mockingbird media is IGNORING all of it. If Hillary Clinton is "elected" OR "selected" and placed in the White House as the felon she clearly is, we will be facing a Constitutional crisis like never before seen.

New revelations on the contents of that laptop, according to law enforcement sources, implicate the Democratic presidential candidate, her subordinates, and even select elected officials in far more alleged serious crimes than mishandling classified and top secret emails, sources said. NYPD sources said these new emails include evidence linking Clinton herself and associates to:
